Hamburger Cookies

20 vanilla wafer cookies

10 dipped Oreo cookies

1 (4.25 ounce) Betty Crocker red decorator frosting

1 (4.25 ounce) Betty Crocker green decorator frosting

Directions

For each burger you will need two vanilla wafers as the buns. Place a small dot of frosting on the bottom bun and then place your Oreo cookie on top to look like a hamburger patty.

Make three dots of red frosting on top of the cookie to look like the tomato or ketchup, then three dots of the green frosting to look like lettuce. Finish by placing second vanilla wafer on top as the top burger bun.
